"The quality of the mentors is unbelievable. I think some of the things I'm doing with the mentors can be game changing and defining moments in my organization's success."

"Mentors have also been instrumental in helping us adjust our strategy to one that is more achievable and feasible."

"In each conversation, there were these golden nuggets of information that we learned that will help us for years to come."

Mentor Network

The OU Impact Accelerator Mentor Network is an opportunity to make an impact on advancing the Jewish community. Share your talents and expertise with nonprofit founders to help their ventures grow and make a difference.

Types of Mentorship

1-1 Mentoring

Get paired with an organization. Help ventures address critical challenges and opportunities by leveraging your experience.

Venture Clinics

Join a group conversation revolving around a central question and learn from other mentors while brainstorming new solutions.

Presentations

Share your expertise with the whole cohort! You have an opportunity to teach in depth about your professional expertise.
